

Reading 1 — Making a Birthday Card

I am going to make a birthday card for my grandmother. Her birthday is next Thursday. She will be eighty years old.

She likes animals. Her favourite animal is the tiger so I draw a picture of a tiger on the card. I will also draw her favourite flower. She likes roses. In the card, I write 'To my dearest Grandmother'. Then I write 'Happy Birthday!' in the middle. I decorate the card with some seashells. I use them to form a heart shape.

When I finish, I put the card in an envelope. I cannot wait to give it to my grandmother.
