

Reading 2 — A Fight

Magdalene was playing with her doll in her room. Suddenly, her younger sister, Jenny, ran into the room. She snatched the doll from Magdalene. Magdalene was very angry. She ran after Jenny and snatched her doll back. Jenny pulled Magdalene's hair so hard that Magdalene fell down.

"Give me the doll!" Jenny shouted.

Magdalene held the doll tightly. Jenny pulled the doll with all her might. Just then, the doll's hand snapped. The girls started to cry.

Their mother came into the room. She spoke to them. The girls realized their mistakes and apologized to each other.
