

# Reading 2 — A Parcel

The postman came to my house yesterday afternoon. He had a big brown parcel for me. I was curious. I wanted to find out what was inside.

I tore the brown box open. There was a present with a colourful wrapper inside. There was also a card. To my surprise, it was from my friend, Margaret, who is now living in Australia. She sent me a birthday present. I opened the present excitedly. It was a wooden pencil holder. There was a koala on it. It was beautiful. I liked it very much.

I decided to send Margaret an email to thank her for the present.
