

# STORY PLANNER

Always plan before you write your story. You may want to use the following diagram to help you plan your story.

The diagram will help you to arrange your ideas in a logical way. It will also act like a checklist for you to make sure that all your ideas have been included.

Who are the people in your story? (Characters)

Where does your story take place? (Setting)

What happens to the people in your story? (Problem)

What do the people do? (Solution)

What happens in the end? (Conclusion)
