My New Year's Day Celebration

Last year, my family and I celebrated New Year's Day at a local hotel. Before that day, I cleaned up my room and arranged my books for the new school year. Then I wrote my list of New Year resolutions and packed my bag for a two-night stay at the hotel.

On New Year's Eve, my family and I had dinner at the hotel café. There were party hats and games. When it was almost midnight, we returned to our room to watch the fireworks. They were amazing.

The celebration was a success. However, when I woke up later, New Year's Day was just like any other day. I told my parents about my New Year resolutions. I hoped I would be more conscientious in my schoolwork and I wanted to pick up tennis. I hoped to be able to fulfil these resolutions.
