

UNIT 8

ADJECTIVES

REVIEW

Adjectives are words that **describe** nouns. They are usually placed before the nouns they describe. They **tell us more** about a person, animal, place or thing.

Review these.

- He is a **hardworking** teacher.
- It is a **colourful** parrot.
- Let's find a **quiet** place to study.
- He bought an **expensive** present for her.

Adjectives can be **used after the verb 'to be'**.

Review these.

- The doctor is **tired** after a day's work.
- The girl was **terrified** when the dog rushed at her.

Some **adjectives** are **used with the expression 'too ... to'**.

Review these.

- I am **too busy to** help you.
- He was **too scared to** say anything.
