"I hope you like the present," Aunt Julie told me with a twinkle in her eye. She is my favourite aunt. I nodded. I thanked her for the present.

I opened my present that night. I shrieked in delight. My aunt had given me the latest Playstation Portable game console. I was in seventh heaven. I had been longing for it for the past month. My parents refused to buy it for me. It was too expensive. I opened the box. I took out the shiny new console. I immediately charged the battery. I would be able to use it the next day.

That night, I dreamt that I was playing with my new game console.
